**TUITION/PAYMENT**

**Tuition** can be paid in full or in 10 equal monthly installments via Tuition Express. Please see attached fee schedule for tuition amounts. Tuition will not be reduced due to holidays, sick days and/or vacations. Students enrolling after the 1<sup>st</sup> day of school may also pay in equal installments; however, the installment amounts will be prorated based on the number of instruction days remaining for the school year.

**Payment of tuition in 10 monthly installments** is due on the 5<sup>th</sup> day of each month through direct withdrawal (using Tuition Express) from your checking or savings account. Payments returned for insufficient funds are subject to return check and late payment fees. All late charges accrued during a given month are payable no later than the last day of that month and additional late payment fees will be added to any account balance carried over into the following month.

**POINTS**

Each member must earn a set number of points each school year. These points will be your responsibility. Classroom and Yard Day leaders will advise the administrative staff when a member fails to earn required points. If a member has a problem meeting the point obligation, he/she should contact the appropriate representative and discuss alternatives. A fee is assessed for each missed point.

*\*\*Volunteer opportunities will be dependent on the improvement of our community's COVID-19 situation. Currently, no volunteers are permitted in the classroom or on campus. Therefore, until COVID-19 restrictions are lifted, IPPS will not be assessing volunteer points. We are keeping this section as part of our contract in hopes that we will someday be able to invite our volunteers back on campus.*

**LATE PICK-UP CHARGES**

Children should be picked up punctually at their dismissal times. A fee will be assessed for every 10 minutes or portion thereof the preschool cares for the child.

**ILLNESS**

Sick children should not be sent to school (i.e., fever, vomiting, pink eye, head lice, COVID-19, etc.). When IPPS staff deems a child to be sick during school hours, the parent/guardian or emergency contact will be contacted to pick up the child. Parents are required to notify the Preschool if the child is absent due to a contagious illness. A doctor's note authorizing the child's return to school is required when a child has had a contagious illness or was sent home by Preschool staff. Family members with a contagious illness should not be on the Preschool campus (to include to drop off/pick up times).

IPPS will follow the Hawaii Department Human Services, Hawaii Department of Health and CDC's guidance for COVID-19 School Symptom Screening. All IPPS members and staff understand that this guidance is subject to change and agrees to abide by the school policies and procedures regarding COVID-19. These policies and procedures are detailed in the school's Handbook.

**WITHDRAWAL**

A thirty day (30) written notice is required when withdrawing a student. A review of points will be performed and fees will be assessed for points not fulfilled. All tuition and registration fees are non-refundable unless due to a move or other unforeseen circumstances such as illness. If proper proof of such circumstance is provided, tuition may be prorated based on the number of days a student is in attendance for that given month. No refunds will be provided for students being involuntarily withdrawn from school due to behavioral issues.

**DISCIPLINE AND TOUCH POLICY**

---

Child's Name: \_\_\_\_\_

**Discipline Policy:**

Discipline will be constructive in nature, including such methods as diversion, separation of child from the situation, praise of appropriate behavior, and redirection of behavior to a positive channel. A child will not be punished by spanking, pinching, shaking or other corporal punishment. Verbal abuse, threats and derogatory remarks are strictly forbidden.

In the event the child's behavior is beyond our control; the parents will be called to remove the child from the preschool for that day. If disruptive behavior continues, parents will be requested to meet with the IPPS Director to try and resolve the reason for the child's exhibiting the disruptive behavior, and discuss a plan of action to assist the child in dealing with any problem that had occurred. If it seems professional help is required, the director will assist the parent in locating resources that are available. If the disruptive behavior continues, and all efforts by the child care staff have not been effective, the child will be suspended for a period of time. If after the suspension period has been completed and the child's behavior persists, the child's enrollment may be terminated.

**Touch Policy:**

All staff will become familiar with the definition of what is considered appropriate touch and inappropriate touch.

**Appropriate (acceptable) touch involves:**

- Recognizing the importance of physical contact to child nurturing guidance
- Adult respect for personal privacy and space
- Response affecting the safety and well-being of the child, e.g., holding hand when crossing the street, holding child gently but firmly during temper tantrum
- Examples: hugs, lap sitting, reassuring touches on the shoulder

**Inappropriate (NOT acceptable) touching involves:**

- Coercion or other forms of exploitation of child's lack of knowledge
- Satisfaction of adults' needs at the expense of the child
- Examples: forced goodbye kisses, corporal punishment, slapping, striking, pinching, prolonged tickling, biting, fondling or molestation. Although biting is very common in the early years, not all children bite. We can only speculate about the biting child's motivation as young children cannot analyze or explain their actions. If a child has a biting habit, please inform the staff so they can keep a close watch to protect other children. The staff will work with a bitter and his/her family to stop the behavior, but children who cannot be controlled will be subject to denial of care.
